Naufal Fadillah

System Analyst · Front-End Developer · BNSP-Certified Programmer

Informatics graduate from Gunadarma University (2022–2026, GPA 3.64) with a main focus on front-end web development. Experienced as a programmer at the Gunadarma University Psychology Laboratory, trained in AI and Machine Learning through IDCamp and Asah by Dicoding, and currently working as a System Analyst. Comfortable in both technical and operational settings, from recruitment and IT support to running my own business.
